- A MESSAGE TO OUR FANS -

Fan Enthusiasm and support are a great part of baseball and active cheering is encouraged. The American Legion Baseball program is dedicated to providing a safe and positive environment for both the players and fans.

You are requested to be considerate at all times of the feelings of the players and sensitivities of those fans seated around you. Hopefully, this request is all that is necessary. The American Legion will enforce this request in the following manner.

1. The use of artificial noisemakers will not be permitted during an American Legion Baseball game. Persons using any artificial noisemakers will be asked to stop. A second violation will result in removal from the ballpark.
2. Persons entering the playing field or throwing or attempting to throw objects on the field also will be subjected to immediate ejection and criminal prosecution.
3. Persons using obscene or abusive language or engaging in any other antisocial conduct, offensive to those around them will be asked to cease this conduct. If the offensive conduct persists, those involved will be subject to ejection from the premises.

Your cooperation is appreciated—enjoy the game!

- FAN LIABILITY -

All persons entering the ballpark will assume risk and danger incidental to the game of baseball whether occurring prior to, during or subsequent to the actual playing of the game, including specifically (but not exclusively) the danger of being injured by thrown bats and thrown or batted balls. The fan agrees the participating teams, players and team officials are not liable for injuries resulting from such causes.
