2024 Annual Report/Year End Review — Executive Director Benjamin Rae commented that the annual report has been completed. He gave a 2024 end of year review on the financials. Fund balances ended at \$2,973,450 for the General Fund; West River Community Center Fund at \$2,432,900 and Park Facility Fund is at \$497,014. These numbers will reflect the recommended budget amendments and fund transfers. He reviewed each of the funds. For the WRCC fund, Director Rae stated that we always start the year at \$0 and we have discontinued the Patterson Lake Fund. The parks and recreation general fund is at \$1,400,702.93 saying that he feels good about where that is in comparison to the last 3-year totals. We had a greater expense on retirement funds in 2024. For adult programs, revenue is strong,

and expenses were kept in check. Youth programs, revenue is growing and controlling expenses, which is a difficult thing to do. For the West River Ice Center, you'll notice revenue is down because of a hockey payment that did not come in December. Heart River Golf Course revenue is strong over the last couple of years, net income was \$281,244.39 in 2024. Patterson Lake revenue totals, overall net is looking good with limited revenue streams at the lake. The Heart River Retreat end of year total is \$11,864.74 compared to a higher total in 2023 but we did some updates that offset the revenue. Veterans Pavilion net was \$12,486.89. Director Rae moved on to review the West River Community Center fund balance, revenue from memberships is showing a much stronger trend in the positive direction. He reviewed membership totals saying over the last 3 years, 2024 is up month over month. Discussion followed on memberships.

2024 Budget Amendments – Executive Director Benjamin Rae reviewed the 2024 Budget Amendments saying that amendments occur every year if we don't hit the expense number that was expected. It is required that the board approves the over-expenditure. He also said revenue did still exceed expenditure. He showed that the General Fund budget amount was \$3,945,163 with amended amount of \$144,213.21 due to Patterson Lake sales and Retirement Fund. He said the West River Community Center budget amount was \$2,432,634 amended to \$110,969.20. Director Rae stated recommended approval of budget amendments. MOTIONED BY: Nic Stevenson; SECONDED BY: Tyler Tucker to approve the 2024 Budget Amendments as presented. Roll call vote: Ayes-4; Nayes-0; Absent-1 (Karsky). Motion carried.

Commissioner Zach Keller left the meeting at 3:55 pm.

Whereas, the governing body of the Board of Park Commissioners, City of Dickinson, owns certain equipment that is no longer required for operational needs; and WHEREAS, it is in the best interest of Dickinson Parks and Recreation District to dispose of said surplus equipment in a manner that maximizes value and complies with applicable laws and regulations; and WHEREAS, North Dakota Century code 40-11-04 requires the governing body to pass a resolution specifically approving such a sale; WHEREAS the specific equipment proposed for sale includes: 1973 Chevrolet Dump Truck (VIN# CCE613V123533); 1981 Chevrolet Flat Bed Pickup (VIN#IGCGC24T4BJ104056); 1982 Ford F100 Pickup (VIN# IFTCF10F4CPA51681); 1989 Ford Dump Box Pickup (VIN# IFTEF25N8KPB47505); 1990 Chevrolet Pickup (VIN# IGCDC14ZILZ225258); 1994 Ford Pickup (VIN# IFTEF15Y7RLA31623); 1984 Case 5800 Backhoe/Loader (Serial# 9054116); 2014 John Deere Mower (VIN# 1TC1600TKEF200105); 2014 John Deere Mower (VIN# 1TC1600TKEF200104); 2011 Husqvarna Mower (Serial# 072711A001783); 2019 Swisher Trail Mower (Serial# L11-077085); 2014 Jacobsen Groom Master II (Serial# 088010-01788). February 2025.

MOTIONED BY: Tyler Tucker; SECONDED BY: Nic Stevenson to approve the Resolution for the Sale of Equipment as read. Roll call vote: Ayes-3; Nayes-0; Absent-2 (Karsky/Keller). Motion carried.

New Mower Bid Acceptance – Executive Director Rae provided the new mower bid documents. The 2 John Deere mowers that were received in 2014 are no longer working and we are unable to fix compared to the Toro mowers that are lasting much longer. The staff is recommending the higher bid due to experience and long-term cost of ownership is better served on the Toro mower. Park Operations Manager Scott Mack was present to answer any questions the Board may have. Commissioner Nic Stevenson asked how much we budgeted for this project. Executive Director Benjamin Rae answered that we budgeted \$94,000. Manager Scott Mack said we have 2 John Deer's but everything else is Toro. Director of Buildings/Grounds Craig Pearson said that Toro is more expensive, but the build quality and longevity is far and away better than John Deere in his experience. Vice Chair Tim Daniel stated that downtime can be a factor too. Manager Mack went on to say that the John Deere's had 160 hours in 2024, of which they spent \$6,194 for 2 mowers that no longer work. He said that the 4 Toro mowers that we used all year with a total cost of \$2,135 in 2024. Executive Director Rae reiterated to the board that the century code requires the board to award the lowest responsible bid. Commissioner Nic Stevenson said based on the information provided, he would accept the recommendation of the staff to purchase the Toro mower as presented. Commissioner Tyler Tucker asked for clarification of the century code. Director Rae said it is the lowest most responsible bid and legal counsel said we can and should document a history of issues with a particular product, if applicable, as justification for not choosing the lowest bid. MOTIONED BY: Nic Stevenson; SECONDED BY: Tyler Tucker to approve the new mower bid from Toro in the amount of \$91,768.09. Roll call vote: Ayes-3; Nayes-0; Absent-2 (Karsky/Keller). Motion carried.

Painting Bid Approval – Executive Director Benjamin Rae said that the backwash system update for the lap pool will be updated March 20-April 6 as approved previously by the board. During this time, the lap pool will be closed. The staff would like to take the opportunity to make additional improvements to the lap pool area including new equipment storage, removing unused existing pool blankets and reels, dispose of excess lane lines, drywall repair and new paint. The lap pool walls have not been painted in 21 years other than occasional touch-up. Additionally, in many locations, the drywall seams are peeling. The staff have reached out to local painting companies to repair the dryland and update the paint. BZ Drywall and Painting submitted a bid of \$16,975 for the walls and an additional \$4,500 for ductwork. At this point, we do not anticipate them doing the duct work unless something arises during the project. Director Rae said the staff recommends approval of the painting project and other improvements as listed in the report not to exceed \$25,000. Commissioner Stevenson asked if this was budgeted. Director Rae said it is coming out of the overall improvement fund. He said this is a priority given the lower cost and that we are going to be closed already. MOTIONED BY: Tyler Tucker; SECONDED BY: Nic Stevenson to approve the painting project and other improvements, not to exceed \$25,000. Roll call vote: Ayes-3; Nayes-0; Absent-2 (Karsky/Keller). Motion carried.

Executive Director Report — Executive Director Benjamin Rae provided a written report for informational purposes. He wanted to talk about the legislative session, he and Director of Recreation/Facilities Caleb Burgard went to the Southwest Night at the Legislature and will also attend a 2-day session next week. He updated the Board on legislative progress of bills we are following. Discussion followed on the daylight savings time that is being proposed to be eliminated. Director Rae stated that Park Districts are not in favor due to the timing of our evening programming. He also noted that he has been in discussions with a developer on the south side of town. If we get closer, we may need to have an executive session. Commissioner Tyler Tucker asked if we have a conclusion on the roofing project. Director Rae said it is not completed, still work that needs to be finalized and he will keep the board updated.

Adjournment – MOTIONED BY: Tyler Tucker; SECONDED BY: Nic Stevenson to adjourn the meeting at 4:29 pm. All aye, motion carried.

RE: Buildings/Grounds Report

#### **FACILITIES**

March begins with the first official push into spring with ice being removed from the Charbonneau arena this week. The compressor to Charbonneau arena was shut down Sunday, March 2nd to prepare for the removal of logos, ice, boards, and glass the following morning. By Tuesday night the arena was spotless and ready to host its first event of the season that began Wednesday afternoon. The ice center staff along with help from Marvin, Alex and the entire parks department made this the best managed and best executed ice removal event to date. This week we will begin interviewing for the two full-time positions, one at the WRIC and one at the WRCC. We received 14 applications between the two positions and interviews will be conducted over the next two weeks. Associated Pools will be on site March 22nd to begin work converting the lap pool back wash system to a manual system. The lap pool walls will undergo repair work and a fresh coat of paint while the lap pool is closed for the back wash conversion.

#### **PARKS**

Scott and the park maintenance staff continue to work on the new cart storage building when weather permits. With the recent warmer weather, the parks staff have made incredible progress and are well ahead of schedule to complete the cart building before the opening of the golf course. Although waiting for the arrival of overhead doors and the completion of the electrical work will determine when the units are ready for rental. The office remodel at the golf maintenance facility is almost finished with only the construction of the new restroom left to complete. The ice removal in the Charbonneau arena this week could not be accomplished in two days without the outstanding work of the entire park maintenance staff.

#### **GOLF COURSE**

Sam and Curt will be in Minneapolis, MN this week for two days of classes at the Toro irrigation headquarters. The purpose of these classes is to expand their working knowledge of the new Toro Lynx program that runs the central irrigation computer at the Heart River Golf Course. These courses are essential for managing water on the golf course to produce optimal playing conditions. Curt will be moving from the ice center back to golf maintenance next week where he will again serve as Sams assistant superintendent for the next 8 months. Golf maintenance will begin removing the hydro mulch covering on the greens next week if the weather permits as we begin our course cleanup in anticipation of the golf course opening this spring.

The Team shall supply proof of such insurance to the Park District and proof of payment of premium prior to any use of the Facility, but no later than June 1, 2024, and no later than June 1 of each subsequent year during the term of this Agreement. The policy shall require the insurance company to notify the Park District at least ten (10) days before the insurance is dropped or terminated prior to the termination of this Agreement and that such drop or termination of insurance would place the Team in default of the Agreement. Said insurance shall be in effect for the entire term of this Agreement.

#### Indemnification/Liability

14. The Park District shall not be liable for any injury or damages to persons or property sustained by the Team or by other persons, including but not limited to baseball players affiliated with the Team, players from other teams, and fans or guests. 15. The Park District shall not be responsible for any injury or damage to the Team, its agents, employees, customers or invitees as to any of its property while in the Facility, regardless of the cause of such injury or damage, unless such injury or damage is the result of willful misconduct on the part of the Park District, its employees, agents, sublessees, or licensees.

#### Taxes

16. The Team shall be responsible for the payment of all sales and use taxes, which may be applicable to its use and operation of the Facility.

#### **Utilities**

In the event the Team defaults under the terms of the Concessions Agreement, the Park District may terminate this Agreement, subject to provisions in paragraph 24 of this Agreement. Further, this Agreement shall be contingent on the Team and League entering into an agreement with Dickinson Baseball Club, Inc., and continuing such agreement without breach, related to revenue sharing for revenues obtained by the Team related to concessions and advertising, the terms of which will be acceptable to both parties, and which agreement is not inconsistent with the terms of this Agreement.

For any Team beer and/or wine sales occurring on the Facility, the Team shall obtain the necessary liquor license. The Team shall not allow the consumption of any alcoholic beverages in the Facility, except in accordance with such liquor license and subject to all conditions thereof and applicable to Dickinson ordinances. Tobacco products may not be advertised, sold or used within the Facility.

Beer and/or wine advertisement within the Facility may be displayed during games played by teams which are part of the Northwoods League and Extra Events and shall be removed or covered at the conclusion of the game or Extra Event. Any required equipment installation to the concession area will be made at Team expense, except as provided in paragraph 10 of this Agreement, and must meet all applicable State Health Department and City of Dickinson requirements.

## Advertising in the Facility

- 19. During the term of this Agreement, the Team shall have the right to display advertising in the Facility as defined in the Ballpark Advertising Plan, including the exclusive right to display advertising on the dugout roofs and removable batter up mats, and to the revenues derived from such advertising. Any modification or improvement of the sound system shall be at the Park District or Team expense as negotiated between the parties, and all such portions installed must remain in the Facility at the termination of the Agreement and shall become the property of the Park District.

### **Entry upon Default**

If the rent is not paid when due in accordance with Clause 4 of this Agreement, 24. or in case of breach or non-observance of or non-performance by the Team of any of the provisions of this Agreement, Park District shall notify Team and League of such default. The Team shall have ten (10) days from the date of receiving notice of default to cure any default under this Agreement. The League may, within twenty (20) days of having received written notice of default from Park District, offer to remedy all noticed issues of default and thereafter assume all Team obligations of this Agreement, Having made such an offer to remedy and in the event Team fails to remedy the noticed issues of default to the satisfaction of Park District, League may remedy said issues to the satisfaction of Park District, including immediate tender of amounts due and owing to Park District or Dickinson Baseball, LLC, and assume all obligations and benefits of this Agreement either directly or by assignment to another Affiliate, subject to approval by Park District. 26. All fittings, fixture and other appurtenances shall, at the expiration of the term of this Agreement, become the property of the Park District. All maintenance equipment allocated to the Facility shall remain the property of the Park District.

### No Representation

27. The Team agrees that it has leased the Facility after examining the same and that no representations, warranties or conditions have been made other than those expressed herein, and that no agreement collateral hereto shall be binding upon the Park District unless it be made in writing and signed on behalf of the Park District.
