PLAYING RULES:

Play shall be governed by current USA Softball of North Dakota rules with the exceptions listed below.

1. **NO DRINKING OF ALCOHOLIC BEVERAGES AND/OR SMOKING BY PLAYERS OR COACHES DURING THE PLAYING OF THEIR GAME! NO WARNING! This also applies to the time frame between Back-To-Back Double Header games! PENALTY = Player(s) identified are ejected. Refer to "Player Code of Conduct" Player Ejection procedures.**
2. **GAME TIME IS FORFEIT TIME!** (Use cell phone for official time) If 1st game is a forfeit; team will have 10 minutes to field a team or 2nd game is a forfeit also! 2nd game will start as soon as 8th player arrives. A team's 4th forfeit may eliminate the team and all roster players from further competition in the league, as well as all tournament play.
3. **60 MINUTE TIME LIMIT PER GAME:** Time Limit starts with 1st warm-up pitch. No inning may start after 60 minutes of play unless score is tied. If home team is at bat and ahead @ 60 minutes, the game is ended at that point. Tied games must continue play to determine a winner.
4. **7 INNING GAME:** Team at bat is responsible for score card. At end of each ½ inning; give score card to umpire, who will then check the card and transfer to other team.

5. **EXTRA INNING RULE / Time Limit w/tied Game:** Starting with the top of the 8th inning (next inning for tied games), and each ½ inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective ½ inning being placed on 2nd base. A substitute or courtesy runner may be inserted for the runner.
6. **RUN AHEAD RULE:** 20 runs after 3 innings / 15 runs after 4 innings / 10 runs after 5 innings.
7. **TEAM HOME RUNS PER GAME: (4)** Excess home runs are outs. When a home run is hit you do not run the bases. Anyone on base goes directly to the dugout. **Team hitting the home run MUST retrieve the ball in a timely fashion or play will be stopped. If team does not retrieve the ball, the umpire may declare a forfeit on that team!**
8. All at-bats start with a “1 Ball & 1 Strike” count. No courtesy foul ball.
9. **DPR League Play will use a “STRIKE MAT”:** A rectangle 17” x 36” mat is used. The mat will be placed approximately 2” behind home plate so as to differentiate whether the ball hit the plate or the mat. Any legally pitched ball not swung at that lands on any part of the mat will be ruled a strike. Ball CANNOT hit home plate. The shoulder to the knee strike zone has been eliminated. The designated player-umpire still has authority to call illegal pitch for too high or too low arc rule (ball must be pitched between 6’-10’). If both teams are in agreeance, the strike mat doesn’t need to be used, if an umpire is present.
10. **COURTESY RUNNER:** A courtesy runner is in the game when announced by the offensive team manager.
 - A. Any eligible player on the official line-up (roster) including available substitutes may be used as a courtesy runner. (Must be gender specific for Coed)
 - B. One courtesy runner only may be used per inning (one for each gender in Coed). Exception: A courtesy runner may be replaced by another courtesy runner due to injury. Injured courtesy runner is done for that game!
 - C. A courtesy runner whose turn at bat comes while on base = team receives an out; courtesy runner is removed from the base and takes their turn at bat.
11. **SUBSTITUTION RULES:** Any player may re-enter the game 1 time. Player must re-enter in the same batting slot they were originally in. You cannot alter the batting order of the players. Defensive position is irrelevant to the substitution. All substitutions must be reported to the umpire immediately when they occur.
12. **NO PROTESTS!** The umpire’s decision is final. You cannot question judgment calls! Any questions on a rule interpretation must be handled on the field at that time. **The umpire will converse with each team manager only!** You may ask the umpire on the nearest field for help or the complex coordinator (or call Caleb Burgard, Recreation/Facilities Manager).

GAME WITH NO UMPIRE:

- A. Any diamond with no USA sanctioned umpire will be posted at the entrance to the complex.
- B. Team managers on that diamond must stop at the complex office to pick up the game equipment.
- C. Team at bat must supply a player(s) to umpire that ½ of the inning. If a team refuses to do this, said team will be issued a forfeit for that game.
- D. Teams may not have friends, spectators, etc. umpire the game (due to liability).
- E. **It is the responsibility of both team’s managers to return game equipment and score cards to the complex office immediately following the conclusion of the 2nd game.**

LINE-UP ON SCORE CARD:

- A. **Team may start with 8 players.** Team must play at least 10 players whenever possible. Team must **finish with at least 8 players.** Outs are not given for the 9th or 10th vacant batting slots.
- B. **Team may bat up to 16 players** (available slots in the score book) with any 10 of those 16 playing defense at any time during the game. This does not have to be reported to the umpire as they are already in the line-up.
- C. **Once game has started, a team may add players at the bottom of the batting line-up as they show up** (16 player max.). This must be done as they show up (ex: a player cannot show up, sit for 2 innings, then decide to be added to the line-up – player would have to enter as a substitute). The player may enter the field for defense as soon as he is ready at any dead ball situation (this includes even between pitches). You do not have to wait until next batter or end of ½ inning.

- D. **If a team has at least 10 players batting**; they may keep 1 or more of their extra players out of the line-up to be used as a substitute later in the game.
- E. **If a player leaves or is injured and cannot continue play, and no substitute is available**: it **IS NOT AN OUT** in the batting order. Once a player leaves the game with no substitute available; said player cannot return to play later in the same game.
- F. **IT IS AN OUT IF A PLAYER IS EJECTED AND NO SUBSTITUTE IS AVAILABLE!**

COED RULE DIFFERENCES:

1. **Men must use DPR issued bats. Women may use any USA approved Slow Pitch Softball Bat.**
2. **Men's ball will be used for all play.**
3. **Male & female must be alternated in the batting order.** Players may be added as they show up; up to 16 players max. @ 8 female / 8 male).
4. **Team may bat more females than males.** (Ex: 6 female/4 male = leave blank space for each absent male in the batting order) All 6 females and 4 males play the field.
5. **Team CANNOT bat more males than females.** (Ex: 4 females/6 males = leave blank space for each absent female in the batting order). The last 2 males in the batting order DO NOT get to bat. Any 5 of the 6 males may play the field; as 5 would normally be in the field. No advantage is gained defensively. If a 5th female shows up, she is inserted into the 1st female vacant slot. This would now allow the 5th male in the line-up to bat.
6. **A walk to a male batter will result in a two-base award.** The next batter (a female) shall bat. Exception: With 2 outs, the female batter has the option to walk or bat.
7. **Defensive positioning is at each team's discretion.**

INVITATIONAL / STATE TOURNAMENT RULES: Differences from league rules are as follows:

1. Team must declare if they are batting 10 or 11 players. All other available players must be used as substitutes. If batting 11, any 10 of the 11 may play defense at any time during the game. This does not need to be reported to the umpire. All substitutions must be reported to the umpire immediately when they occur.
2. Team may start with 9 players. The vacant 10th batting spot is an out in the batting order. If a 10th player arrives, they may enter the game on the 1st dead ball situation. Any player arriving after this may play as a substitute.
3. If a team has no substitutes and a player is injured and cannot continue; the team may play one short if batting 10 or 11. If this happens and team started the game short-handed @ 9; the game is forfeited, as they are already playing one short. **If batting 10 or 11 and a player is EJECTED with no substitute to replace the ejected player, the game is a FORFEIT!**
4. **Home Runs:** C = 5 / D = 3 / R1, R2 = 2 / R3, R4 = 1
5. **Invitational Tournament Rules:** A multi-roster player may play with only 1 team for the weekend. It is the player's choice which team to play with. Player does not have to play with the highest classified team. A player may only be picked up by his highest classification.
6. **Pick-up Players for Invitational Tournaments:** Pick-up players must be on a ND roster. Coed players are NOT eligible. Teams may pick up players based on the level of tournament they are participating in (Ex: R3 team playing in an R2 tournament may pick up R2 & below players). Pick-up players allowed: (12 original = 0) (11 original = 1) (10 original = 2) (9 or less original = 3). **Pick-up players must wear their original team's uniform; not a uniform from the team picking them up!** The maximum number is 12 players if using any pick-up players.
7. **One-Time Tournament Team Roster:** A one-time tournament team roster can be composed of any person in the U.S. Players do not have to be on a ND roster. Team must fill out the "USA Softball of North Dakota – Official Roster Form" in its entirety and pay the \$25 sanction fee to the tournament director. Roster and sanction fee must be submitted when registering the team for the tournament. It is the tournament director's discretion as to the classification of the team.
8. **State Tournament Rules:** A multi-roster player must play with the highest classified team for state tournaments if they are on the same week-end. If the tournaments are on separate week-ends, the player may play in both state tournaments.

9. **Pick-up Players for State Tournaments: (Coed / League Only Players Are NOT Eligible) (12 original = 0) (11 original = 1) (7, 8, 9 or 10 original = 3).** Pick-up players must wear their original team's uniform; not a uniform from the team picking them up! REQUIRED: Manager must secure a State Tournament Pick-up Player form signed by DPR League Representative.

PLAYER CODE OF CONDUCT:

All players are expected to conduct themselves in a sportsmanlike manner at all times!!! This is a recreational program. The "Heat of the Moment" excuse is not acceptable. Listed below are DPR Player Conduct Guidelines. This is not an all-inclusive list. Items and situations not listed will be ruled upon by the proper DPR Program Supervisors.

1. USASBND enforces a "Casual Profanity Rule". Casual profanity pertains to expletives "Not Directed" at the umpires or opposing players; but most likely at the players uttering them as a vent to frustration. This type of profanity is penalized by "OUTS" being declared against the offensive or defensive team, whichever is guilty of the violation. The above "OUTS" will be treated on a delayed, dead ball situation.
2. Situations resulting in EJECTION include, but are not limited to:
 - A. Profanity directed at others, especially umpires.
 - B. Disrespectfully addressing or contacting an umpire or any other player.
 - C. Throwing of bat in disgust.
 - D. Arguing of Balls & Strikes.
 - E. Intentional running over of player in the base path.
 - F. Violation of DPR Alcohol & Tobacco/Vaping use rules.
3. **Any team found to be using an ineligible player will be penalized as follows:** (1) All games with ineligible player will be forfeited, (2) Team Manager and violating player will be suspended per PLAYER EJECTION rules, (3) Team will be on probation remainder of season, (4) Any further infractions may subject player and/or team to suspension for remainder of season.
4. **All above mentioned actions are minimum penalties. DPR reserves the right to impose more stringent penalties based on the severity of each individual action.**
5. **An official ejection form must be filled out by a league official, a tournament director, or an umpire for all game ejections. The ejection form states: "As the manager of the above named team, I fully understand that if the ejection occurred in league play that the above named player /manager/coach, or team representative is suspended for the rest of the night. In addition, the player is also suspended for the next four (4) games played by the player, whether it is a tournament game(s) or league game(s).**

During this suspension, the above named player cannot be a pick-up player for any league or tournament games before the suspension has been fulfilled. If the ejection occurs during tournament play, the player/manager/coach, or team representative is suspended from the game the ejection took place plus the next four (4) games played in the tournament if it applies, or for their next four (4) games whether it is a tournament game(s) or league game(s). If the player is a pick-up player they must sit out the next four (4) games played by this team in the tournament if it applies. If not, they must sit out their next four (4) games whether it is a tournament game(s) or league game(s) for the team being represented as a pickup player.

EJECTION IN LAST GAME OF SEASON: If the ejection is in the last game of the season, the suspension will carry over to (next team player is on if dual roster player) the next DPRD adult program the suspended player participates in.
