PLAYING RULES:

Play shall be governed by current USA Softball of North Dakota rules with the DPR Kickball exceptions listed below.

1. **NO DRINKING OF ALCOHOLIC BEVERAGES AND/OR SMOKING BY PLAYERS OR COACHES DURING THE PLAYING OF THEIR GAME! NO WARNING! This also applies to the time frame between Back-To-Back Double Header games! PENALTY = Player(s) identified are ejected. Refer to "Player Code of Conduct" Player Ejection procedures.**
2. **FIELD MARKINGS:** A diagonal line will be chalked extending from 1st base to 3rd base. No defensive player may be in front of this line until the ball is kicked.
3. **PITCHER'S MOUND:** A circle extending 12 ft. from center of pitching rubber.
4. **STRIKE ZONE:** The strike zone extends 1 ft. on either side of home plate & maximum height of 1 ft. off the ground. The batter must have plant foot completely behind the front edge of the plate at point of contact with the ball for a kick to be legal.
5. **TAGGING BATTER / RUNNER OUT:** Ball may be thrown to player touching the bag for a force out. During legally thrown ball & hit on a runner, the ball remains alive. Batter / Runner is out by defense throwing ball and hitting the runner (shoulders & below). Runner is not out if hit in neck or head (unless runner ducks). If illegally hit in neck or head the ball is dead and all runners between bases at the time of illegal contact advance to the base in front of them.
6. **NO BUNTING**
7. **ENDING PLAY:** Once the pitcher has the ball in control and retains possession on the mound, the play ends. Runners who are off base at this time and in forward motion may advance only to the immediate base in front of them. Pitcher receiving the ball on the mound may make a play on the player in limbo. No other runners may advance beyond the entitled base at the time pitcher received the ball in the mound area. Runners who are off base at this time and not in forward motion must return to the base from which they were running.

8. **GAME TIME IS FORFEIT TIME!** (Use cell phone for official time) A team's 3rd forfeit may eliminate the team and all roster players from further competition in the league, as well as all tournament play.
9. **60 MINUTE TIME LIMIT PER GAME:** Time Limit starts with 1st warm-up pitch. No inning may start after 60 minutes of play unless score is tied. If home team is at bat and ahead @ 60 minutes, the game is ended at that point. Tied games must continue play to determine a winner.
10. **7 INNING GAME:** Team at bat is responsible for score card. At end of each ½ inning; give score card to umpire, who will then check the card and transfer to other team.
11. **EXTRA INNING RULE / Time Limit w/tied Game:** Starting with the top of the 8th inning (next inning for tied games), and each ½ inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective ½ inning being placed on 2nd base. A substitute or courtesy runner may be inserted for the runner.
12. **RUN AHEAD RULE:** 20 runs after 3 innings / 15 runs after 4 innings / 10 runs after 5 innings.
13. All at-bats start with a "1 Ball & 1 Strike" count. No courtesy foul ball.
14. **COURTESY RUNNER:** A courtesy runner is in the game when announced by the offensive team manager.
 - A. Any eligible player on the official line-up (roster) including available substitutes may be used as a courtesy runner. (Must be gender specific)
 - B. One courtesy runner only may be used per inning (one for each gender in Coed). Exception: A courtesy runner may be replaced by another courtesy runner due to injury. Injured courtesy runner is done for that game!
 - C. A courtesy runner whose turn at bat comes while on base = team receives an out; courtesy runner is removed from the base and takes their turn at bat.
15. **SUBSTITUTION RULES:** Any player may re-enter the game 1 time. Player must re-enter in the same batting slot they were originally in. You cannot alter the batting order of the players. Defensive position is irrelevant to the substitution. All substitutions must be reported to the umpire immediately when they occur.
16. **NO PROTESTS!** The umpire's decision is final. You cannot question judgment calls! Any questions on a rule interpretation must be handled on the field at that time. The umpire will converse with each team manager only!

LINE-UP ON SCORE CARD:

- A. **Team may start with 8 players.** Team must play at least 10 players whenever possible. Team must finish with at least 8 players. Outs are not given for the 9th or 10th vacant batting slots.
- B. **Team may bat up to 16 players** (available slots on the score card) with any 10 of those 14 playing defense at any time during the game. This does not have to be reported to the umpire as they are already in the line-up.
- C. **Once game has started, a team may add players at the bottom of the batting line-up as they show up** (14 player max.). This must be done as they show up (ex: a player cannot show up, sit for 2 innings, then decide to be added to the line-up – player would have to enter as a substitute). The player may enter the field for defense as soon as he is ready at any dead ball situation (this includes even between pitches). You do not have to wait until next batter or end of ½ inning.
- D. **If a team has at least 10 players batting;** they may keep 1 or more of their extra players out of the line-up to be used as a substitute later in the game.
- E. **If a player leaves or is injured and cannot continue play, and no substitute is available:** it **IS NOT AN OUT** in the batting order. Once a player leaves the game with no substitute available; said player cannot return to play later in the same game.
- F. **IT IS AN OUT IF A PLAYER IS EJECTED AND NO SUBSTITUTE IS AVAILABLE!**

COED RULES:

1. **Male & female must be alternated in the batting order.** Players may be added as they show up; up to 14 players max. @ 7 female / 7 male).
2. **Team may bat more females than males.** (Ex: 6 female/4 male = leave blank space for each absent male in the batting order) All 6 females and 4 males play the field.
3. **Team CANNOT bat more males than females.** (Ex: 4 females/6 males = leave blank space for each absent female in the batting order). The last 2 males in the batting order DO NOT get to bat. Any 5 of the 6 males may play the field; as 5 would normally be in the field. No advantage is gained defensively. If a 5th female shows up, she is inserted into the 1st female vacant slot. This would now allow the 5th male in the line-up to bat.
4. **A walk to a male batter will result in a two base award.** The next batter (a female) shall bat. Exception: With 2 outs, the female batter has the option to walk or bat.
5. **Defensive positioning is at each team's discretion.**

PLAYER CODE OF CONDUCT:

4. **All above mentioned actions are minimum penalties. DPR reserves the right to impose more stringent penalties based on the severity of each individual action.**

PLAYER EJECTION: Depending upon the severity of the unsportsmanlike act, an official may eject a player immediately.

PENALTY: 1st EJECTION of season on a player = Player sits out remainder of that game + next scheduled game for that team.

PENALTY: 2nd EJECTION of season on a player = Player is suspended for the remainder of the season (including tournaments).

NOTE: (FIGHTING) No player shall at any time lay a hand upon, shove, strike or threaten an official, player or DPR employee.

- Officials are required to suspend player immediately and report such player to the DPR League Supervisor.
- Such player shall remain suspended until the case has been reviewed by the DPR League Management.
