- > **EXTRA INNING / TIME LIMIT W/TIED GAME RULE:** Starting with the top of the 8th inning (next inning for time limit games), and each 1/2 inning thereafter, the offensive team shall begin its turn at bat with the player who is scheduled to bat last in that respective 1/2 inning being placed on 2nd base. > Batter's Box WILL NOT be chalked. Umpire still has authority to call a batter out of the box when it is obvious! (Ex: Stepping on plate / Stepping directly in front of plate / Batter standing at outer edge of box away from plate & stepping toward dugout area on inside pitch, etc.)

> **ANY PLAYER MAY RE-ENTER THE GAME 1 TIME!** Player must re-enter for the player in the batting slot the re-entering player was originally in. You CANNOT ALTER THE BATTING ORDER of the players. Defensive position is irrelevant to the substitution.

> **If a team has no substitute and a player is ejected, the game is a forfeit!**

> **Team can play 1 player short due to injury,** taking an out in the injured player's batting spot (except if started with 9; this would not apply as they are already 1 player short). Once a player leaves the game with no substitute available, said player cannot return to play later in same game.

> **Team may start with 9 players** (10th spot in batting order is an out). If the 10th player arrives, they may enter the game on any dead ball as soon as they are ready to play.
